➤ PSAV's High Definition Event Video Conferencing Solutions feature Polycom® Video Conferencing Systems.

- « As business and travel costs continue to escalate, customers are seeking cost effective ways to connect and share important message content. Add PSAV's HD-EVC to your next event for the approximate cost equivalent of a few business traveler going to an out of town, multi-day conference.
- « PSAV HD-Event Video Conferencing Solutions offer customers the ability to integrate live video communications into company meetings and company events in a very cost effective way.
- « Offer your organization a very realistic way of ensuring that employee communications continue regardless of geographical boundaries or distance.
- « Contact your PSAV Sales Representative for details on how to include HD-EVC in your next event!
